My City Promise

One thing I can do
to help my city is...

Now draw yourself with Migeon the Pigeon!

Now draw yourself with
Migeon the Pigeon!

Colour Migeon the Superhero Pigeon
and the city to help the Earth!

HELP THE EARTH!

Power Up the City!

Help Migeon choose the super-powered choices that help the Earth.

Save Water Power

→ Which choice helps save water?

Save Water Power
→ Which choice helps save water?

Good Choice: Turning off the tap

Clean Energy Power
Which choice helps the city breathe?

Not-so-Good Choice:

Move Green Power
→ Which way helps keep the air clean?

Good Choice: Riding a bike or walking

Recycling

Not-so-Good Choice: Dumping rubbish

Color one power symbol for every Earth-friendly choice you make!

Talk about why each choice helps the Earth.

The Green Rooftop Maze

Help Migeon navigate through the tall skyscrapers to find the rooftop garden. Avoid the "grey clouds" of pollution along the way.

Spot the Super-Seedlings

Find 5 hidden watering cans, 4 seed packets, and 3 tiny sprouts in the park.
